NIGHT CITY CHANGES EVERY DUCK

Cyberduck 2077 is an open-world, action-adventure story set in Night City, a megalopolis obsessed with ducks, love and rock and roll. You play as Rob, a mercenary outlaw duck going after a one-of-a-kind scream that is the one key to rule them all. You can customize your duck's underwear, skillset and playstyle, and explore a vast city where the ducks you choose shape the story and the world around you.
